March 2016

Would you like to test drive a mobile device before you buy one? Douglas County Public Library is now lending iPad Air 2, Samsung Galaxy Tab 4, and Nintendo 3DS devices. A selection of games are available for checkout with the Nintendo 3DS.

To check out one of the mobile devices you must be at least 18 years old, have a Douglas County library card in good standing, and present a valid government issued identification. You will be required to read and sign a Mobile Device Use Agreement. If you don't have a library card, you can get one when you come to the library.

Are you new to the world of mobile devices? Call ahead to reserve a device, and ask about scheduling a one-hour Reserve-A-Tech session with library staff. You can take home the device, as well as a little education, too.

Mobile devices check out for 3 weeks and cannot be renewed. For more information on how to check out a mobile device, call the library at 775-782-9841.
